

## Packathon to Feed the People of Haiti

### Information:

St. Joseph Parish is sponsoring a first ever Packathon to provide meals for Hôpital Sacré Coeur in support of the neediest in the Milot, Haiti region. It will be held on **Saturday June 12 and Sunday June 13**. We need an army of volunteers over two days to support this effort. Get a group from your neighborhood, your book club, your sports teams and your scout troops to volunteer for two-hour shifts at the Knights of Columbus Hall at 1211 Highland Ave. in Needham. We will be both inside and outside (weather permitting), and there will be ample space to spread out for the Packathon. We ask that you wear masks. Gloves, hairnets, and hand sanitizer will be provided. When you arrive at the packing site, you will confirm your registration, a volunteer will take a quick temperature check and then you will be given your assigned table to work at. We are hoping to pack 100,000 meals over this two-day event, so we really do need many volunteers. Please come 15 minutes before your assigned shift to check in and receive instructions from the team. Shifts begin at 8 am and go to 4 pm on Saturday and until 2 pm on Sunday.
